

Help America & Howard Dean send George Bush back to Texas by voting in the SC Primary Tuesday, February 3rd

Isn't it shameful what the Bush administration has done to our country?

◆ got us into a war based on **deceit** ◆ helped America **lose 3 million jobs** ◆ pushed a tax cut benefiting the **richest 1%** ◆ nominated a judge who tried to excuse a **cross burning** in Mississippi ◆ made America unsafe by isolating us in the world ◆ leaked the name of a CIA agent for politics, endangering our national security ◆ **stretched our military** to the breaking point ◆ **divided our country** as never before and took us down a **dark path** alien to our ideals

Howard Dean

- as Governor, extended health insurance to 92% of Vermont's citizens,
- equalized funding for Vermont's rich and poor school districts
- *won't get America in a war based on lies* ● will enlist allies in Iraq, helping bring our soldiers home ● fight for health insurance for all Americans ● repeal the tax cut to fund jobs, schools, health care ● will fight to raise the minimum wage and promote small businesses to increase jobs
- believes *government should promote the welfare of all Americans*

A great man, **Howard's** a regular guy and can make a mistake or two and *tough enough to beat Bush*. Whoever's nominated, **We'll be back** to work with you!

You have the power to send Bush to Texas and
Dean to the White House
by getting **50 friends and neighbors** to the polls **February 3**
and in **November**
