- Dean is bringing people together all over America to share problems and fears, and to find real solutions.
- Dean believes that government should serve the interests of people like us, everyday people.
- Dean served 5 terms as Vermont's Governor by putting Vermonters first. President Dean will put Americans first.
- Dean has experience outside Washington, DC. He says what he thinks and he listens to us, too.
- In Vermont Dean created jobs, made prescription drugs more affordable, cut income tax twice, and increased the state minimum wage, and all while balancing the state budget!
- Dean tells us we have the power to change the direction of our country from the wrong way to the right way — if we work together.
- With Dean, we CAN beat Bush in November. He appeals to all kinds of voters.
